***Response to Petition Decision***

***Response to Election***

Applicant's election without traverse of Claims 1, 8-17 and 29-30 in the reply filed on 9-25-2006 is acknowledged.

***Claim Rejections - 35 USC § 102***

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1 and 8-11 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by Usui et al.(U.S.Pat.6,297,484).

***Allowable Subject Matter***

Claims 12-14 objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claims 29-30 are allowed.

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Reed, Kuznetsov and Bell are cited to show structure similar to the claimed invention.
